6. Received a request from Herbert Blitz, Research Assistant to Senator Jacob K. Javits (R., N. Y.), for information regarding press releases or other publications by the Soviets or Chinese Communists regarding the exclusion of Ralph Bunche and his son from membership in the Westside Tennis Club, New York. Inquiry of [redacted]

[redacted] indicated a single nonprocessed item picked up from the Soviet African Service on July 10 which stated simply that Mr. Bunche's son was excluded from membership. [redacted] Chief Support Staff, [redacted] was also contacted and related that Chinese papers would not be available before the 20th to the 23rd of July. Davis and Jenkins should be available at this time and would be scanned for any items. Mr. Blitz was so informed.

7. Received a second request from Mr. Blitz concerning an item in today's New York Herald Tribune. The Soviet Statistical Board is reported by the Herald as having released information concerning the fulfillment of quotas during the first half of the year together with an analysis of their seven-year program. Mr. Blitz stated that Senator Javits would appreciate an evaluation of the Soviet Statistical Board report in light of the statements made by Mr. Dulles in the April New Orleans speech. The analysis is being prepared by the Office of the DD/T [redacted] and will be available for transmittal on July 16.

8. Received a call from [redacted] (Graphics) concerning the July 15 showing of slides by Mr. Neal Kennedy of the Subcommittee on Administrative Practice and Procedure of the Senate Committee on the Judiciary. [redacted] said that the showing went off very well. The slides were of excellent quality. Since Mr. Kennedy was reluctant to part with his entire collection, certain portions were selected and left with Graphics. Graphics will be in touch with Kennedy at a future date to procure such remaining portions of his collection as it may desire.

9. Received a call from [redacted] concerning S. 2314, a bill presented by Senator Strom Thurmond (D., S. C.) to provide for a Federal Industrial Security Program. [redacted] advised that this bill is quite impossible from the point of view of the Office of Logistics. He is considering the matter in coordination with [redacted] Security Officer, Office of Logistics, and the Office of Security.
